

National School Breakfast Week - March 4-8, 2024

During the week of March 4-8, 2024, schools across the United States - from Virginia to California – will be celebrating School Breakfast! It's a time to raise awareness about the availability and to show appreciation for the breakfast meals provided by school cafeterias.

Breakfast is offered to **ALL** students every morning at no cost! Students may choose one entrée of their choice from many options such as biscuits, cereals, breakfast bars, & pastries. Fresh fruit, 100% fruit juice, and milk are offered too, and students may choose one of each of these.

Breakfast gives us the opportunity to fuel our bodies with important nutrients, such as fiber, folate, calcium, iron, vitamin A, vitamins B1, B2, B3, vitamins C and D.

A child's growing body and developing brain depend on these important nutrients to grow healthfully!
